This Week

Home Learning via eSchools: Each class has an individual set of home learning activities which are available to all parents & carers via our eSchools home learning platform. If you have forgotten your eSchools login details please let your teacher know and we can reset them for you so you are able to access the lessons, projects and videos that we have made for your children to use at home.

QEII Newsround: Starting last week, we are now sharing our weekly "QEII Newsround" video, that we usually show in Assembly, on our website and Facebook page as well. Please do have a look to see what we've been up to in school and with home learning this week.

Headteacher's Award Winners

Fleur, Brandon & Sarah, Limes - Writing their own wonderful ending after watching "The Present."
Sammy, Beech - Making a great castle at home.

Yoimoji of the Week: Haystack

Haystack is Independent. "I try to do things on my own. If I need help, I know that I can ask once I've given it a go."

We are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values.

Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website's news pages.

Letters Home

No letters this week.

Learning in Home and at School

Here are some photos of the learning in school and thank you to everyone who sent in pictures of themselves hard at work learning from home. Don't forget you can also now watch QEII Newsround on our website and Facebook page every week too!
