This Week

Welcome to our revised format newsletter. We hope this helps you keep up with what everyone is doing at the moment.

NHS Information: Steph, our School Nurse, would like to share a poster with you giving you information about contacting the NHS at the moment. She says don't forget that the Health Service is still open for "normal" business as well as COVID-19! You can view the poster here: www.rcpch.ac.uk/sites/default/files/2020-04/covid19_advice_for_parents_when_child_unwell_or_injured_poster.pdf

OT/Physio Queries: If you have any OT or Physiotherapy queries at this time, you can contact our therapists by email at SC-TR.specialschoolotptnorth@nhs.net
Alternatively, Crawley CDC can be reached by telephone on 01293 301010 Ext. 3. (Leave a message and they will return your call.) Concerns can also be passed to class teachers in school who will then get in contact with the right person.

Working at Home with Autism: We have been asked to share the attached poster about working at home with autism.
