

Total communication

Focus on Makaton signing

What is communication?

How much of your communication in a day is speech?

In neuro-typical people only 5 07% of communication is verbal.

93% is non-verbal.

55 % is body language and 38 % is tone of voice.

Professor Mehrabian

Queen Elizabeth School

When signing just will not do!

Eye gaze – When physical and auditory control is impaired

The method by which an individual uses their eyes

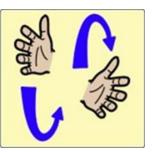

to communication through low or high-tech means
