

## **Me and My community**

### **Spring 1**

#### **Beachcombers, Sailors, Divers and Cavers**

This project supports children with settling into the new rules and routines of school and encourages them to make new friends and feel confident in their class. It teaches children about being helpful, kind and thoughtful at home and at school. This project also teaches children how they are unique and special, the importance of friendship and how people in their family, school and local community are important and can help them.

Activities you can do at home with your child;

- Draw/collage a picture of your family
- Play dominoes, Snap! or a board game where you must take turns
- Encourage your child to do jobs at home – putting things away, sweeping etc
- Learn and sing nursery rhymes together.
- Play a game with dice and building blocks. Take turns to roll the dice and add that number of blocks to a tower or just build a tower together
