Globetrotters Tea Party

Our Leavers' Tea Party was a huge success, we welcomed more than 70 guests which was fantastic! The party was attended by our current leavers and their parents giving them a chance to celebrate the time they have spent at QEII and reflect on all the love and support they have received. It was lovely to catch up with some of our alumni family too.

In the week leading up to the party Globetrotter students spent time making a huge range of tasty party food and personalised leavers' decorations which were just beautiful. A huge thank you goes out to all the staff that worked tirelessly behind the scenes to ensure that this year's party was the best yet!

We wish all our leavers success in the future and hope that they will return to our planned events in the next academic year.
