CLASS NEWS FROM BEACHCOMBERS

Beachcombers Class have had a wonderful start to the Autumn term! We have enjoyed settling into the classroom and finding where everything belongs as well as developing positive friendships and relationships with the staff team. As part of our topic "Once Upon a Time" we have been using building resources to build towers and castles and listened to stories such as "Goldilocks and the Three Bears". We have been playing with props from the story and acting it out together as well as using sponges and paint to create a brick effect for our Three Bears cottage! The Beachcombers team are so proud of how well the students have settled in.

CLASS NEWS FROM ADVENTURERS

Adventurers have had a great first week, they have settled really well into their new classroom and have engaged well with activities. They shared with each other what they did over the summer holidays and created colourful personalised labels for their lockers. We also discussed and agreed our class charter and have begun our new topic "Time Traveller".
