This week's Yoimoji was Bucko the resilient rabbit. We are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values. Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website's news pages.

Class News from Beachcombers

Beachcombers have been enjoying diving into our new topic for this half term, "Splash!" We have been engaging in lots of outside activities such as mark making on different surfaces with big paintbrushes and fishing for numbers and Numicon shapes with nets and sieves in a water tray. We have also enjoyed bathing baby dolls with sponges and bubble bath and splashing in the water ourselves! This week we have enjoyed listening to stories such as "There's a Shark in the Bath" by Sarah McIntyre and "Five Minutes Peace" by Jill Murphy to support our learning about bath times and what water does and can be used for.

Class News from Globetrotters

Globetrotters loved their last Topic 'Darwin's Delights', we explored the life, work and expeditions of Charles Darwin. We enjoyed trips out to Horsham Park, where we studied and sketched daffodils and Horsham Museum where we looked at their amazing fossil collection. Globetrotters have got to know their Life Skills Kitchen very well and have made some delicious treats this half term, like the chocolate brownies that everyone loved at the Art Exhibition. We competed at the amazing Dance Live! in Portsmouth this year and won the *People's Choice Award* and the *LED Screen Award*. We had the best time once again. We held our first Prom at our new College site and with the help of the charity *Prom Dreams* all looked amazing. It was a great "Night at the Movies."

Finally, some students from Globetrotters have just completed their Travel Training, we caught a bus into Horsham Town and also took the train to Crawley and stopped in for a McDonald's ice cream...YUM!
