CLASS NEWS FROM MOUNTAINEERS

Mountaineers have enjoyed continuing their “Land Ahoy” topic this term. They have learnt about floating and sinking, experimenting with adding items to see when it a boat would begin to sink. They have created a variety of sea-based artwork, learnt about pirate life and even made their own sea biscuits – which didn't taste as nice as those we eat today. In RE, we have been lucky enough to learn about how faiths celebrate, looking at particular the Hindu festivals as well as the wide variety of celebrations in Spring including Chinese New Year, Valentines Day, Shrove Tuesday, Holi, Eid and Easter! Everyone has loved being creative, inquisitive and thoughtful in all our learning.

CLASS NEWS FROM PATHFINDERS

Pathfinders have had a fantastically busy week. We made beautiful flowers from tissue paper which were taken home as part of our celebration for Mother's Day. We have also been busy in the kitchen for DT, making delicious cheese straws - learning how to create simple recipes to make home made snacks. We also had the opportunity to try out some new equipment in the outside area, including Jenga blocks, chalk drawing equipment and new scooters!
