Cavers & Divers: Springboard Project Letter.

Class News from Cavers

Cavers have loved learning about their topics "Splash!" and "On the Beach!" We have spent time learning about a variety of under the sea creatures as well as creating fact files and our own under the sea animals! At the moment we are making the most of the lovely weather taking our learning outside!

Class News from Adventurers

This half-term Adventurers have enjoying lots of creativity in DT lessons. In the last couple of weeks, students have made clay coasters with leaf designs. They enjoyed rolling out the balls of clay, shaping them and then pressing different leaves into the soft clay to their own design. The coasters were air dried. This week students will be painting them too.

Adventurers also got creative in the kitchen making frittatas as part of our Healthy Eating Week. Students mixed eggs, cream and cheese with vegetables they liked and baked them in the oven. They all agreed they were yummy!
