## **CLASS NEWS FROM DIVERS**

In Divers Class everyone is feeling really settled in and we are all enjoying our learning. We celebrated Diwali by making rangoli patterns using colourful rice and decorating biscuits. In our Living Classroom sessions we have been painting pumpkins, working together to move the tractor around and making the most of the swings! We have also enjoyed looking at the story “The Three Little Pigs” as part of our “Build It Up” topic and we have built our own houses using straw, wooden sticks and plastic bricks, we all agreed the bricks were a good building material!

## **CLASS NEWS FROM ADVENTURERS**

Adventurers teamed up with Pioneers to learn about Remembrance Day and show our respect for those who made the ultimate sacrifice for our country. Over the past week or so we have spent time making Remembrance Day lanterns and poppy wreaths after learning about Remembrance Day. Then to show our respect, on 11th November we visited the war memorial site in Horsham Town centre and got to speak to veteran soldiers before laying our handmade wreaths. Finally, we visited Hills Farm Cemetery held a two-minute silence and then laid our Remembrance lanterns on war graves of soldiers who had died in World War I and Works War II.

A thought provoking but wonderful experience for our students.
