

DID YOU KNOW

That there are many ways to help support QEII School and one could be from match funding or a grant donated by businesses through Corporate Social Responsibility (CSR) schemes.

We have recently received a £4,000 grant from a local business via CSR and over £800 from a parent holding a fundraiser at work with a possibility of their employer match funding!

If you are interested in fundraising at work or think your employer might be able to help us with a grant or donation please contact Caroline Paul, school fundraiser, at cpaul@qe2school.co.uk
