## This Week

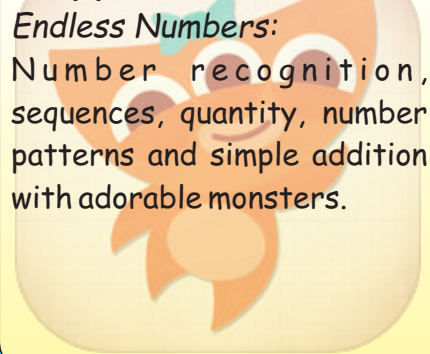

**Red Nose Day:** Thank you to everyone who supported Red Nose Day and Comic Relief today. It's been great fun seeing all the different T-shirt designs and seeing/tasting the cakes in the cake sale. Stay tuned to our Facebook page for some photo highlights over the weekend...

**New Crawley Club for 16+:** We have been asked to pass on the attached details for a new club in Crawley for young adults aged 16+ with SEN. It is organised by a member of staff from Manor Green College. As it is new we don't have any more information than is on the poster, so if you go please do let us know what fun things you get up to!

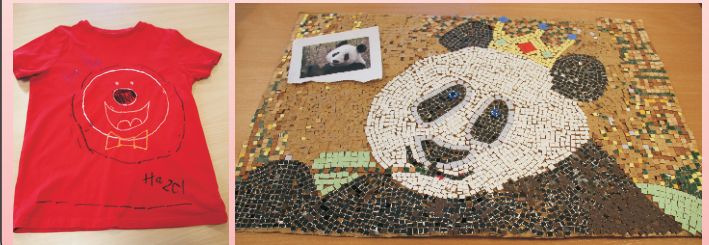

### App of the Week

**Endless Numbers:**  
Number recognition, sequences, quantity, number patterns and simple addition with adorable monsters.

### Student Council Awards

Hazel, Beech - Red Nose Day t-shirt  
Oaks - Panda mosaic

### Class News from Palms Class

Palms Class have been enjoying the slightly warmer weather! We have explored parks and the local area as part of our topic 'Where I Live.' The children have loved climbing, balancing and problem solving on the climbing frames and obstacles, building in confidence and independence! In Science we have also looked at different features of trees and flowers which has tied in nicely with the topic, we are also trying to grow our own plants!

## Class News from Pines Class

We have had a very creative week in Pines. We have decorated our t-shirts for Red Nose Day in Art and have been working on our ILP targets in ICT. We were very lucky to work with the Stop Gap Dance Company and really enjoyed creating dance moves linked to the theme of emotions with them. We have also been working on our Lion King dance in Claude's dance lessons, we are in groups as lions, monkeys, gazelles and elephants. It's really good fun!
