

🎉 Join us for inflatable fun! 🎉

Due to popular demand, our inflatable **SEND FRIENDLY** sessions are back this Half Term! Sit back, relax, and enjoy a hot drink while the kids burn off some energy!

👤 Crawl through the 30ft obstacle course 📍 Bounce on the bouncy castles 🏊 Zoom down the 8ft slide or dive into the ball pit!

We understand that for some children, especially those with special educational needs or disabilities, busy soft play environments can sometimes feel overwhelming.

That's why we are offering sessions at a variety of times to suit you. We aim to create a calmer, more relaxed setting with no background music, smaller numbers, and quiet spaces with plenty of bean bags if you or your child needs a little time out.

🌟 Our building is wheelchair accessible and has a disabled toilet conveniently located at the front of the hall. ♿

Due to allergies in our community, we will only be serving drinks at this session to make this an inclusive event for all!

To keep the session a quieter space, we limit numbers, so if you haven't yet booked, please follow the links below to grab your spot as spaces fill quickly 😊
