Class News from Pilots

Pilots have been enjoying their topic "Bright Lights, Big City." We have enjoyed building different London landmarks using a range of materials. We really enjoyed science week, making our own slime - which was very messy, but great fun!! Our maths lessons looking at data handling have been enjoyable and very practical.

Patsy the Dog

Patsy loves coming to school. She gets excited when she comes into school and knows exactly what she has to do! Patsy waits at the gate for the students to come and see her. She is always very happy to be stroked and made a fuss of. She has enjoyed lots of walks this week with different students and has been to take some students to their taxis. She has enjoyed playing with the Lego and visiting student's in their classes. Helen even took her for a quick walk! Patsy got a new lead this week which matched Shelley's shoes and top!
