CLASS NEWS FROM BEACHCOMBERS

Beachcombers have been really enjoying the activities and sessions linked to our Enrichment timetable. We continue to grow in confidence around our visiting donkeys, Andy and Percy, and are very gentle with them. Some of us have been happy to ride them and are developing our independence with this as well as our core strength and co-ordination. Rebound sessions are a firm favorite in Beachcombers Class too. We are learning to wait and take turns and listen to simple instructions. We love to see how high we can jump!

CLASS NEWS FROM PIONEERS

Pioneers are really enjoying our Allotment topic this term. We have been exploring our school allotment, making plant pots to plant our seeds into and enjoying messy Tuff Trays to engage in gardening techniques.
