CLASS NEWS FROM SAILORS

Welcome to all the children in Sailors class who have joined the school this year. We have 7 brand new children. We have been learning and playing together. The most important thing is that the children feel safe and happy to come to school. We are working hard at understanding what the children like and don't like and creating a classroom of fun activities and great communication!

CLASS NEWS FROM ADVENTURERS

Adventurers have had a brilliant start to the new school year! Over the past week or so we have spent time working with new staff, new students and getting used to a new classroom too. We've played games, cooked cakes and flapjacks, and even managed a trip out to Horsham Park! Our topic this term is "Burps, bottoms and bile" which helps students explore digestion, we have already looked at the important role of teeth and how we should care for them!
