

QEII Newsletter

27th June 2025

THIS WEEK

Transition Evening: All parents and carers are invited to our Transition Evening on **Tuesday 8th July** from **4-5.30pm**

QEII Connections: The next QEII Connections event is on Wednesday 2nd July and is a visit from the West Sussex Parent Carer Forum. Please see the poster sent home previously and on our website for more information and if you would like to attend please let us know by emailing office@qe2school.co.uk

School Photos: Every student has now has the order form sent home on paper for their recent school photo, with details of how to place your order if you wish to. Please place your order before the deadline of **Tuesday 1st July**.

Yearbook: Our Yearbook for this school year is in production. The order form has been emailed out to parents & carers this week. It is also available to staff and friends of the school. Copies are £10 each and if you have not received an order form but would like to have one, please contact office@qe2school.co.uk before **Friday 11th July**.

Parent Questionnaire: The latest QEII Parent Questionnaire is now live. You can complete this by following this link or using the QR code. Please can you complete it by **Monday 6th July**: <https://forms.office.com/e/zNj5UadLfQ>

YOIMOJI OF THE WEEK

This week's Yoimoji was Leopold the grateful lion.

HEADTEACHER'S AWARD WINNERS

Leo, Adventurers - Kindly going out of his way to give a Zones of Regulation board to an upset friend.

Yochanan, Trailblazers - Using his communication device effectively to say how he felt.

LETTERS HOME

All Students: Yearbook order form.

Selected Trailblazers & Globetrotters: Woodlands Meed sporting event letter.

Those Taking Part: Final details for Children's Parade

Cavers & Divers: Nymans trip letter.

Year 6 Classes: Lodge Hill Activity Day final letter.

CLASS NEWS FROM BEACHCOMBERS

Pilots Class have loved the topic this term "Wriggle and Crawl." We have enjoyed going out hunting for minibeasts in our Forest School sessions. We like exploring where different minibeasts live and what they eat.

We have discussed the life cycle of caterpillars and have learnt about how bees make honey. The honey we tasted was delicious. In maths we have enjoyed looking at shapes and their properties. We have really enjoyed making minibeasts out of different materials and making our own smoothies. The drumming session on Monday was amazing.
