

QEII Newsletter

24th April 2026

THIS WEEK

INSET Day: A reminder we have an INSET day on **Tuesday 5th May**.

Parent Partnership: Our next Parent Partnership meeting is on **Tuesday 28th April** at **11am** at the School site. If you have anything you would like to have discussed, please let your representative know.

QEII Connections: The next QEII Connections event is on **Thursday 21st May** at the school site from **9.30-11.00am**. It will be a presentation about Learning Through Play with Amy, one of our class teachers. More details will be sent out with the event poster soon.

School Photos: Claire is taking the school photos on **Wednesday 6th May**.

New Baby!: Congratulations to Amy S, one of our class teachers, on the birth of her son Edward (Ted) on March 16th.

Darts Fundraising: Thank you once again to Horsham Darts League for fundraising again this year. They have donated a brilliant £4000 to our school, raised by the H&W League, Horsham 5s and Southwater Summer League. Thanks also to Southwater Sports Club and Neil Harding for their sponsorship and support.

HEADTEACHER'S AWARD WINNERS

James N, Astronauts - Dividing by 2,3,4 & 5.

Miles, Bertie, Jayden, Emmie, James & Alex - Engaging really well in drama recently and working hard on our pirate play.

YOIMOJI OF THE WEEK

This week's Yoimoji was Zigzag the patient goat.

LETTERS HOME

There were no letters home this week.

CLASS NEWS FROM SAILORS

Sailors Class have had such a lovely start to the Summer term. We have started our topic "Splash!" We have been exploring items that sink and float. The children are very happy that the sun has been shining for us. We have been getting wet and drying off! We have created a classroom sea picture to hang outside and are painting it together. Here are a few photos of what we have been up to. We love the donkeys!

CLASS NEWS FROM PATHFINDERS

Pathfinders have begun the Topic "Tomorrow's World" this term. So far this has included building a robot from junk materials, predicting the outcome of a short video with a poignant message about a robot and discussing what the future may hold. We have also tried wearable tech in the form of the VR headsets!

We are also working towards planning a healthy snack to make during our cooking sessions later in the term, building on the skills and recipes we have already tried. These puff pastry cheesy twists were a hit!
