### CLASS NEWS FROM PILOTS

Pilots have enjoyed our Autumn Term topic "Bright Lights, Big City" theme and learning about different landmarks in London. We have enjoyed our RE lessons, learning about different aspects of Christmas. We made our own Christingles. We really enjoyed Animazing this week, where we got to hold various different animals.

## **CLASS NEWS FROM GLOBETROTTERS**

What a busy half term Globetrotters have had! We have had a very successful move over to our new College site in Hurst Road and are really enjoying our new 'home'. After settling we have got into the full swing of Christmas, preparing for and selling crafts at our Christmas Fayre, singing in the Community Choir, our lovely Carol Concert at St.Johns Church and just a little baking thrown in for good measure. In Maths Globetrotters learnt about measuring in an Olympics-themed lesson. We used tape measures and stopwatches to record our measurements over the various different disciplines! Speed bounce, javelin and beanbag aiming (new event for 2025!)

We also had a lovely visit to Maltman Cosham Vets with ASDAN "Looking after and caring for animals". Hannah took us into the special area at the surgery to see how they perform examinations and operations. It was so interesting. We even got to practice on some of their cuddly toys!

We are looking forward to a great New Year. Merry Christmas.
