

QEII Connections

West Sussex Parent Carer Forum Parent/Carer Coffee Morning

Thursday 26th November, 9.30-11.00am
QEII College Site

WSPCF is an independent charity for the parent carers of children and young people aged 0-25 with special educational needs and/or disabilities (SEND). They support parent carers by providing information, signposting, and training that equips them in their lifelong caring role and empowers them to participate in shaping services for their children and young people.

Join us for an informative coffee morning with **Lara Jones, WSPCF Coproduction Coordinator**. Lara will be speaking about *The SEND Reform: Putting children and young people first*, amongst other topics.

"Family" artwork by QEII students

All parents & carers welcome
No need to RSVP

We hope to see you there!

Please note that we have no car parking available on the school site.
Please park nearby with care and attention to respecting our neighbours and then walk into school.
