

## Summer Term 1

### Topic – Creep, Crawl and Wriggle

#### Beachcombers, Sailors, Divers and Cavers.

In the Creep, Crawl and Wriggle project, your child will learn about minibeasts. They will observe minibeasts in their natural habitats and create shelters for them to live in. They will learn about the life cycle of a butterfly and explore what minibeasts, such as snails and worms, need to survive. They will compare the features of minibeasts and learn the names of their body parts.

#### Supporting your child at home

- Go on safari to look for minibeasts that live in your garden or park.
- Make a bug hotel from plant pots, small rocks, stones, bark and leaves and see if minibeasts visit.
- Research some fantastic facts about minibeasts from around the world.
