Disability Employment Advice

16th October 2026 9.30 – 11am- College Site

Life Post 19 – Disability Employment Advice

It can be challenging to find work for disabled people usually not for a lack of ability, but a lack of opportunity, accessibility and understanding.

Join us for an informative coffee morning with **Disability Work Adviser Kelly Pearce** from the DWP.

*Please join us for cake, coffee and chat!
All parent/carers invited, no need to
RSVP!*

Please note that we have no parking available at the College site. As there is very limited on-street car parking, we recommend using the nearby public car park at the Pavilions Leisure Centre.
